

## RAILWAY MEN DISCUSS WAGES

Federated Shopmen Went  
into Convention at Chi-  
cago To-day

### THEY MAY RECALL GRAND OFFICERS

Because of Their Inability  
to Get More Than 4 Cents  
an Hour Increase

Chicago, Sept. 25.—A convention of federated railway shopmen, called by the Chicago district council of the Federated Railway Shop Crafts, opened to-day for the announced purpose of devising means for obtaining an increase in wages.

J. D. Saunders, secretary of the council, said the delegates would discuss the inability of their grand lodge officials to obtain more than the four cents an hour increase granted railway shopmen last month by President Wilson and also declared a movement would be started to recall the grand lodge officers.

### FRANCE IS WORRIED

For Fear She Will Not Be Able to Get  
Old Flags from Germany.

Paris, Sept. 25 (Correspondence of the Associated Press).—French peace conference circles are showing signs of uneasiness concerning the possibility that the Germans will be unable to fulfill article 245 of the Versailles treaty, calling for the return to France of all the flags and standards captured in the war of 1870-71, an undertaking dear to the French heart.

Reports to the effect that most of the flags have mysteriously disappeared from the various cathedrals and museums in Germany, where they were hung, have caused a deep and painful impression at the French Chamber.

Deputy Galli of Paris has called upon the French government to take the proper measures to make the Germans live up to their undertaking. He recalls the incident of June 23 when 10 or 12 German soldiers entered the museum of the arsenal in Berlin and, without meeting the semblance of opposition from the curator, Dr. Sinden, seized several French flags and burned them.

"If the Germans," Galli says, "exhibit as much bad faith in carrying out the other clauses of the treaty as they have in this instance, the outlook for France is gloomy, indeed."

### HUGE CRANBERRY CROP.

More Than Double That of Last Year  
Reported.

Washington, D. C., Sept. 25.—Cranberries for Thanksgiving, Christmas and New Year's dinner ought to be cheaper this year than they were last, although labor conditions may force growers to demand prices higher than the average. This year's crop, according to the September forecast of the department of agriculture, will be about 637,000 barrels against 305,000 barrels last year.

### HOLE WAS HALVED IN ONE SHOT EACH

Golfing Miracle Was Accomplished at  
Forest Hills Field Club on a Hole  
of 145 Yards.

New York, Sept. 25.—A golfing miracle was accomplished yesterday at the Forest Hill field club in New Jersey when George Stewart and Fred Sleepmyer halved the 18th hole in one. Stewart teed off first, hitting an iron shot for the hole 145 yards away and watched his ball trickle into the hole. Then Sleepmyer drove off. His ball dropped upon the green and after a short run fell into the cup.
